**PRESENTS...**

## Italian Night March 2, 2007

*Cocktail hour, Dinner, Show @ 8:30pm and dancing*

Imagine having *Michael Crawford* (Phantom of the Opera), *Placido Domingo* (I Pagliacci), and *Gene Chandler* (the Duke of Earl) -- all rolled into one singer!

**The 3 Voices of Stan Simkins** will move you from the memory of your favorite Broadway melodies, to the power of heart-touching, operatic pieces, finished off by memories of youth in the 50s and 60s... when street-corner groups belted out 'those oldies but goodies'.

Stan appeared last April at the Rampart Casino in Las Vegas (as the opening act for the group that contributed to the start of rock and roll with "Shake Rattle and Roll" and "Rock Around the Clock" - The Comets, of Bill Haley Fame).

He has performed at Proctors Theatre, The Egg, Glen Sanders Mansion, Fort William Henry Resort, The Lake George Club, College of St. Rose, Sage College, Prun House... and on cruise ships, received standing ovations.
